**Subject:** Fwd: One more chapter summary

See note below. My agent would like to see the cleared chapter summaries. Can I assume [redacted] (reviewed by NSA) are good to go? You previously cleared a sample (b)(3) NatSecAct [redacted] as well. Finally, any others close to approval? If they are, I'll wait to forward (b)(3) NatSecAct bundle to my agent. Thanks again.

[redacted] NSA went through Chs [redacted] with me. I have taken care of all their changes. Assume this constitutes (b)(3) NatSecAct approval for these as they deal exclusively with NSA. Please let me know.

Michael Hayden [redacted]

Only one more after this one. The **bold** print in this one is material previously cleared by the PRB.

NSA went through Chs 1-6 with me. I have taken care of all their changes. Assume this constitutes final approval for these as they deal exclusively with NSA. Please let me know.

Michael Hayden
